

Installation instructions for Merika® build-up ring

Merika no. 400

- Size: 150 × 34
- Weight/kg: 0,07
- HVAC no: 3318112
- RSK no: 7032012
- For vinyl floor and tile installation
- For wooden and concrete floors
- Effective height 12 mm
- The delivery includes 3 screws
- Carpet clamp ring Merika no. 4411

- The build-up ring is lubricated with a lubricant and pressed to its place.
- Note in the installation that the screws of the build-up ring (3 pcs) are screwed to their places but **not tightened**. The screws do not need to be tightened as the sealing is in the over sheath of the build-up ring/floor drain. Tightening the screws will deform the floor drain/build-up ring.

Accessories:

M-4581 Water insulation flange
HVAC no: 3319674, RSK no: 7135105

Spare parts:

M-202_03 Lip seal for a floor drain, new 160
HVAC no: 3311447, RSK no: 7135101
